

AFFIRMATIONS FOR LEADERS

I AM CAPABLE

Believing in one's own capability is essential for a leader. Acknowledging personal competence builds confidence and encourages decisive action, as well as inspires others to have faith in their leadership.

I AM INSPIRED

Julie Bartkus

Leadership demands vision and passion. Declaring oneself as inspired signifies that a leader is driven by purpose and is eager to motivate and guide their team towards a common goal.

I AM RESILIENT

Resilience is the backbone of effective leadership. By affirming resilience, a leader demonstrates their ability to withstand adversity, learn from challenges, and bounce back stronger.

I AM INFLUENTIAL

Acknowledging one's influence is key for a leader. It means recognizing the impact of one's actions and words, and understanding how to positively drive change and motivate others.

I AM DECISIVE

Decision-making is a critical skill in leadership. By stating decisiveness, a leader commits to making informed choices promptly and stands by them, thus instilling confidence in their team.

I AM EMPATHETIC

Empathy allows leaders to connect with their team on a deeper level, fostering an environment of trust and respect. It involves active listening, understanding, and being considerate of others' feelings and perspectives.

I AM INNOVATIVE

Innovation is vital to staying ahead in any field. By being innovative, a leader is open to new ideas and ways of thinking, ready to challenge the status quo and encourage creativity within their team.
